Hello Eric,

We are putting in a new machine that needs an internet connection. We have a spare ethernet cord nearby that we may be able to use. It was used for our old camera system that we no longer use. If it can't be repurposed we will need to run a new line. Please schedule a time to come out and help us out with this issue. I am available Monday through Friday 7:30 AM to 1:00 O'clock PM. Let me know when you will be here, so I can be ready for you. We need this done by Monday the 18<sup>th</sup>. if at all possible.

Thank you,

**Dale Shroyer**
