Hi Dale:

If I can get a lift on-site, will it work for you if we install the cable Tuesday morning? Let me know. Thanks!

Hello Eric,

We need an ethernet cord ran about 150 feet. We purchased new equipment and it requires a cord. Our manlift is down, you will have to rent one. Please put us on your schedule and let us know when you will be able to come out. Use PO# S11373-559 for this job.

Thank you,

Dale Shroyer
