Hi Dave:

If everything is ready this afternoon, I can come by. That would save you coming into the office on Sunday. Let me know.

Hi Dave:

No problem! Can Andrew meet you Sunday to pick everything up? If so, what time works best for you?

I hope you are having a great week!

Hi Erik. Everything is here except for the hard drives for the NVR. They are due tomorrow PM. I can meet the guy's here Saturday or Sunday morning on their way up to Marysville, or we can install them and overnight the NVR up on Monday.

I am really sorry. I had told my team we needed everything ready, but did not happen. What works best for you guys? dave
