Hi Dave:

We should be able to do this! I'm meeting with Andrew this afternoon, and then I will confirm. Is there a day that works best for you?

How was your trip?

Hi Erik. **Please do not try to help if it is going to negatively impact your clients.** We have two of our LEA's in Burns this week and the other on vacation for two weeks. Just checking!!

Is Andrew available to go to Bothell and move a camera this week? Depending on whether he needs to run a new wire or not, it might take as much time to drive up and back as to provide the service. Time and material and gas. NO PROBLEM if you cannot assist with this. dave

Hi Dave, we are having a roll up door installed in Bothell. We need a camera re-located. I have attached a photo of where the camera needs to be located. Let me know when this can get scheduled.

Thank you,
