HELLO – HELLO Erik!! Just checking in. Haven't heard from you in awhile and wanted to check in and see if you wanted a couple of Parr installs towards the end of August and then another a week or two later? One in Prineville and one in Bend.

I am ordering equipment for both, so IF this works for you and the guys wanted to, they could go over and install Prineville first (smaller system-17 total cameras – 15 new) and if they want to start Bend possibly spend a day or two there there (28 cameras – 19 new) and then take a week off or???

Let me know you are doing Okay health wise and if any of the above works for you and your team? If not, we will find a way.

St. Andrews install door access system next week - Yah! dave

Respectfully,

Check Us Out!
