Hi Erik. Boy, nothing like me getting pushy!!?? We have 3 more signed Parr Video system installs that they would like installed before the end of December so they are billed in this calendar year.

In order: 1. is on 185th Av., South of Sunset Freeway – 2. Is Raleigh Hills Parr on corner of Scholls Fry Rd and Oleson Rd. 3rd is Salem. They are all about the same number of cameras – 22-25. I understand that your “big” job will be cranking up, so I am just looking ahead at your possible schedule and our schedule. We have hired two new techs, but not sure that they can pull wire like Andrew, Mike and Sean!!??

Parr asked for a schedule so I sent them the following – **all tentative**: 185th Av. – 11/27-12/1 – Raleigh Hills – 12/11-12/15 and Salem – 12/18-12/22. The last two might be difficult two weeks in a row? I just wanted to put them off into the future, but I have ordered the equipment for all 3 and we will have enough for 185th, by the end of next week, the 20th. The following week is Thanksgiving, so short week.

I realize you may not know your schedule ahead of time, and another option would be for us to put one of our techs with Mike if that would be easier so you could use Sean? Just looking to give you all I can, but NOT put you in a bind. No need to get back to me today or tomorrow, check out your schedule and let me know what you think?

I am available Thursday or Friday morning for breakfast if that works for you, or some days the following week. Take care. dave

Respectfully,

Check Us Out!
