Hi Erik,

We will be out there at 7 am if you can have someone out there at that time that would be great.

The work is at the Hillsboro Airport Customs office

Address is [3355 NE Cornell Rd](#)[Building #5](#)[Hillsboro, OR 97124](#)

Please have them call Oaks when they get there 720-434-1643

Thank you again

Rachel

Hi Rachel:

I hope you had a great weekend!

Any idea on what time you will need us Thursday? I'm working on our schedule.

Also, where is the work?

Thanks!

Erik

Good morning Erik,

Thank you for this I am planning on next Thursday. I will have a Key person out there to meet whoever you send. I will give you more details as to meeting times next week.

Thank you for your help on this

Hi Rachel:

Your email got buried in my inbox! I'll get back to you shortly - doesn't look like this will be a problem.

Hi Erik,
How much and how long would it take for you to

Terminate a total of 4 cat6A cables and provide 4 biscuits for such cables and test each termination with report?
Four of the terminations will be in the IT room and the other 4 would be in the 4 biscuits with RJ45s

We are providing cable and the boxes for this install.

We will also have someone there to let Andrew know where the terminations need to be.

There is a push on this from the port so if you could please let me know as soon as you can on this.

Thank you very much
Rachel
