Part 2: Offeror References for Comparable Projects

In order to determine whether an offeror meets the standards of responsibility set forth in the procurement code and related administrative rules, ODOT requires information on the offeror's past performance. The offeror must check one of the two checkboxes below. If the second checkbox is selected, the offeror must attach a completed Offeror References Form.

The offeror has performed similar projects for ODOT within the past 3 years as the prime contractor under a contract between the offeror and ODOT. The offeror understands that if it is the apparent successful offeror, ODOT may still require that the offeror provide references, in which case the offeror must promptly provide them upon ODOT's request.

The offeror's quote contains three references for similar projects on the Offeror References Form provided in this RFCQ.

Part 2 Cont. – Offeror References Form

REFERENCES FOR COMPARABLE PROJECTS IN SIZE AND SCOPE: If the offeror checked the second checkbox in Part 2, the offeror shall provide on this form a list of three different firms that can be contacted regarding the quality of services that the offeror provided in the last 4 years on projects of comparable size and scope.
