Hi Dwayne,

I am processing this today. Do you know which option you decided to go with? I think I proposed both a 1-year and a 3-year option.

Thanks,
Eric

Hi Dwayne,

Attached is your quote to replace the 6 outdoor cameras. I went with the same camera you have on the new building to keep the same aesthetics. You will see two options, one for a 1-year contract and the other for a 3-year. Please let me know which option works best.

Thank you,
Eric

We left for the day. If you want to get the count for the exterior ones feel free to walk around the building. I think we are going to want to replace all the exterior ones at once.
