Peninsula - Rm 109 - phone line/broken data jack

--

Because of our vaccination mandate for COVID-19, the district is stretched very thin for contractors. Because of this, we will be unable to keep to the specified 3-5 days for any access control issues or commit to 5-7 days for low voltage break/fixes.

Please be aware that shipping timelines are exceedingly unpredictable due to global supply chain issues and will result in lengthy delays. **These delays will negatively affect the timeline of your projects.** I appreciate your understanding.
