Hi Spencer:

I am Erik Hopkins with Empower Digital Solutions. I was contacted by Allen Carpenter to evaluate the sound system at West Sylvan Middle School. The school secretary (Kirsten) gave me your name as the last person who knew how to operate the system. Our team (Eric Halleen and Andrew Nelson) were on site tonight and confirmed that most of the equipment is in working order. They do have a few questions. I have asked Eric Halleen to give you a call tomorrow (Thursday) to discuss. He plans to call you around 10:30am - I wanted to give you a heads up. We really appreciate your help with this. If you have any questions, feel free to contact me. Thanks!

Erik
