Hello Erik,

I am starting the contract for your work here at Jackson Middle School. Have you done work for PPS before? I could not find the company name in the vendor list. My first step is to get you approved and this sometimes takes a little while. Also, the invoice has our correct address but says "Maplewood Elementary School". Can you correct this and send it to me, please? Also, I need a copy of your W-9 to submit.

Thank you!

Marnie Davis
