Hi Jazmyn:

The cost for the annual maintenance of your camera system / camera for your Portland facility is \$2,460. Let me know if you require a formal proposal for this. Thanks!!!

Erik

Hello,

I am inquiring about our "Maintenance & Support Agreement" as stated on the attached invoice from last year. Can you share details on this and what this agreement covers? We would like to know how we can change our service to just have Stack Portland and what it would cost.

Thanks!
