

Polyform – Outdoor Camera Replacement

Scope of Work:

1. Replace six (06) exterior Geovision cameras with Verkada to match new building.
2. Provide and install new PoE switch to the IDF in the mezzanine.
3. Add cameras to the Verkada dashboard.
4. Provide training as required.

Option A: 1-Year Renewal

Quantity	Description	Cost
6	Verkada environmental dome cameras with 30-days of retention	\$7,476.00
6	Verkada 1-year reoccurring camera license	956.00
1	Ethernet switch	443.00
1	Miscellaneous Materials	96.00
1	Mobilization	135.00
1	Installation Labor	600.00
1	Technical Labor	900.00
TOTAL		\$10,606.00

Option B: 3-Year Renewal

Quantity	Description	Cost
6	Verkada environmental dome cameras with 30-days of retention	\$7,476.00
6	Verkada 3-year reoccurring camera license	2,636.00
1	Ethernet switch	443.00
1	Miscellaneous Materials	96.00
1	Mobilization	135.00
1	Installation Labor	600.00
1	Technical Labor	900.00
TOTAL		\$12,286.00

Exclusions/Exceptions:

- Proposal does not include hi-lift. This project will require a boom lift for camera access.
- Area around cameras must be assessable at the time of installation.
- Applicable shipping cost will be applied to the final invoice.
